

Program Basics

Statement of Non-Discrimination

CBI Preschool does not discriminate on the basis of race, gender, handicap, or national origin.

Licensing

CBI Preschool is registered with the State of Virginia as a religiously exempt child day center.

Teacher/Child Ratio

In order to provide each child with a quality experience including individualized attention we maintain low student to teacher ratios. Ratios vary according to the age of the children and our maximum ratio is 17 students to 2 teachers.

Teachers

The teaching staff is the foundation of a quality preschool program. For this reason, we maintain high standards. Our teachers are well versed in child development, both by educational training and relevant experience. Their hiring is reflective of their love of children and commitment to introducing children to a supportive, creative Jewish learning environment. Our teachers support learning and exploration in the classroom by planning age appropriate developmental activities, based on the progress and interests of the children.

Our teachers receive a health clearance by their respective physicians. A person trained and certified in first aid is present at the school whenever children are present. Our teachers continue to participate in ongoing professional development and work to provide quality experiences for children.

Facilities

Our physical facilities, located within Congregation Beth Israel, have been certified for use as a preschool. We use the synagogue courtyard, as well as nearby McGuffey Park for outdoor play. In inclement weather, our second floor space provides a large carpeted area to exercise little bodies.

Public Liability Insurance

Congregation Beth Israel is covered by public liability insurance which provides coverage in the event that someone brings suit for personal or bodily harm suffered during the operation of the program as a result of negligence.

Registration

CBI Preschool offers a preschool program for 2-5 year old children. Registration for each academic year program begins in January. Priority for admission is given to current students and synagogue members.
